

Appalachian Family Innovations Parking

Once you arrive at Appalachian Family Innovations (AFI) you will need to park. There are 9 parking spaces in front of the office.

- The 4 to the right of the front door (plus one handicap) are for anyone on a first-come first-serve basis. The handicap space is obviously for handicapped only.
- The 4 to the left side of the front door are for visitors to AFI (not for trainees or staff) or short term (0-20 minutes) for anyone.

Additional parking is across the street in the City of Morganton lot or behind the office between Mull Street and Patterson Street (see map below).

- If you park behind the building you must walk across Mull Street, through the Fulenwider Enterprises parking lot, come down the outside stairs, and come around the front of the building.
- Please do not park in any marked spaces in the Fulenwider Enterprises parking lot and do not try to come through Fulenwider Enterprises' Offices to get to our offices. Use the outside stairs along the side of the building.
